Content of information to be announced:

1. We herein disclose that, as per the reviewed financial statements for the six-month period ended June 30, 2026, the Company's profit after corporate income tax increased by 1,527% compared to the same period in the prior year. The details are as follows:

(Unit: VND)

Quota	From 01/01/2026 to 30/06/2026	From 01/01/2025 to 30/06/2025	% increase/decrease	
1. Revenue	289,635,706,975	135,713,788,689	153,921,918,286	113%
2. Cost	242,823,340,266	125,997,683,161	116,825,657,105	93%
3. Other Profits	(617,020,802)	(666,565,044)	49,544,242	7%
4. Profit before tax	48,884,345,906	9,049,540,484	39,834,805,422	440%
5. Profit after tax	40,036,591,495	2,461,385,263	37,575,206,232	1527%

The Company's profit after corporate income tax for the first six months of 2026 increased by 1,527% compared to the same period in 2025, primarily due to:

In the first six months of 2026, the Company recorded a significantly higher gain from the revaluation of financial assets than in the first six months of 2025, which caused profit before tax and profit after tax to increase sharply. This was the main factor driving the improvement in business performance compared to the corresponding period of the previous year.

2. Disclosure of information explaining the increase of more than 5% in profit after tax between the figures before and after the reviewed financial statements for the six-month period of 2026:

(Unit: VND)

Quota	Reviewed figures	Pre-review figures	% increase/decrease	
1. Revenue	289,635,706,975	289,635,706,975	0	0
2. Cost	242,823,340,266	242,823,340,266	0	0
3. Other Profits	(617,020,802)	(617,020,802)	0	0
4. Profit before tax	48,884,345,906	46,195,345,907	2,688,999,999	5.8%
5. Profit after tax	40,036,591,495	37,347,591,496	2,688,999,999	7.2%

The Company's profit after corporate income tax for the first six months of 2026 increased by 7.2% after the review, mainly due to the following reason:

After 30 June 2026 and before the date of issuance of the reviewed interim Financial Statements, the Company collected a receivable in the amount of VND 2,688,999,999, for which a provision for doubtful debts had been made. The Company accordingly reversed the corresponding provision for doubtful debts, thereby reducing expenses and resulting in an increase in profit after corporate income tax after the review.
